Sir:

RESPONSE TO ELECTION OF SPECIES REQUIREMENT

In an Election of Species Requirement dated October 4, 2005, the period of response to which extends through November 4, 2005, the Examiner required election of one of Species I (species 1a or species 1b) and one of Species II (species 2a or species 2b or species 2c or species 2d). Applicants hereby elect Species 1a and Species 2a for examination with traverse.

Applicants respectfully assert that the Examiner's restriction requirement is improper because the species are divided by the etching means, not processes, structure or other technical feature.

Applicants respectfully request formal examination of this application.

If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0310. **EXCEPT** for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §§ 1.16 and 1.17 which may be required, including any required extension of time fees, or credit any overpayment to Deposit Account No. 50-0310. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. § 1.136(a)(3).
